TEWKSBURY SELECTMAN MEET

Meetings opened at 8 p.m. with Mr. Robert W. Barron, Chairman, Mr. John Cooney, Mr. Robert W. Lacey and Mr. Roger LaFreniere and Mr. Dana Perkins, Consultant Engineer present.

Mr. Miles Record came in regarding release of lots on Trull Brook Manor subdivision (release of these lots subject to Article 70 of Warrant of Annual Town Meeting, March 5, 1960.) Due to fact that all members of the Board of Selectmen were not present, this matter had to be postponed to next meeting.

Mrs. LaPointe brought in plan to be signed on Chandler Street. Purpose of this plan was to show lot line on Lot 4. Motioned by Mr. LaFreniere and seconded by Mr. Lacey to sign this plan. Plan of land on Foster Road brought in by Mr. Nelson McArthur to be approved. Board approved lot A on this plan under name of Roger A. Boisvert.

Motioned by Mr. Cooney and seconded by Mr. Lacey to authorize Dana F. Perkins & Sons, Inc., of Reading to do engineering work on the Foster's Corner project. Board suggested that the Dana F. Perkins & Sons, concern conclude the work prior to the time of the making up of the articles for the next Annual Town Meeting, so that the Highway Department will be able to estimate the cost of the project.

Mr. Cooney suggested that, after the election, representatives of the Planning Board be authorized to get, together with the Attorney General to go over Article 70 of the March 5, 1960 Annual Town Meeting Warrant and get an explanation of why he approved this article as it is in direct contradiction to our by laws. Telephone calls made to Mr. Howard of Whitman and Howard Engineers to have him attend the October 25, 1960 meeting of the Board. This is in regards to sewerage survey. Letter received from Housing and Home Finance Agency acknowledging receipt of Agreement relating to Sewerage survey.

SPECIAL TOWN MEETING NOVEMBER 28

The date for the next special town meeting has been set at November 28.

The date was set at the last meeting of the Board of Selectmen upon the request of the Permanent Building Committee who now feel that they are prepared to bring the plans for the proposed intermediate school to the floor of a town meeting.

The town meeting date was set only after numerous meetings and much stormy debate among members of various town boards, but general agreement was reached at a recent meeting and plans are now ready for presentation to the voters.

SCHOOL ISSUE HAS TWO SIDES

WILMINGTON.

A quiet, soft-spoken individual called the Crusader this week in an attempt to make it clear that the stand taken by some Boutwell Street School parents does not include everyone in the area.

The caller stated that she felt it was pretty silly for citizens to petition the school department for more buses and still complain continually about tax increases. "It would seem that people who move to Wilmington because they want to live in the country should be ready to put up with the inconvenience of rural living."

It hardly seems logical to many of us to complain to the school board about winding, twisted narrow roadways; and as far as the distance is concerned, we feel that a little fresh air and exercise never harmed any child. Besides, when school is called off due to inclement weather, where are these youngsters to be found? Outside playing—most of them!

It is said that the West Wilmington Improvement Association will soon start a movement against what they feel is the real cause of trouble—the safety factors which are lacking along Route 62. They plan to question the non-existent speed limit and warning signs which will interfere with drivers that innumerable youngsters will be using Burlington Avenue going to and from school.

Our caller was very definite about what she felt was right and stated that many in the area are thinking of carrying on their own private 'Crusade' for safety signs which should improve much less expensive than additional buses.

SELECTMAN, EDITOR HAS SENSE OF HUMOR

WILMINGTON.

At last week's meeting of the Board of Selectmen, the newest member of the group, John Brooks, proved that he has (among others) one very important qualification for public office. Mr. Brooks has clearly defined sense of humor.

During a meeting on that night with the Housing Authority, a member of the authority brought up a subject which was discussed approximately two months ago when Urban Renewal issue was on the fire.

The Housing Authority had planned to mail a letter to all voters requesting their presence at the town meeting on September 15. Upon their request for permission to use town equipment for printing and mailing the letter, the selectmen declared that they wished to see the publication first.

John Brooks attended the Authority meeting and attempted, according to members, to exercise his abilities as an editor. The proponents of Urban Renewal immediately sent up a cry of 'censorship'.

When the subject was mentioned again last week, and the finger of guilt pointed for the second time at Mr. Brooks, he good-naturedly accepted the criticism with both hands and went on to explain his stand on the matter.

He told those in attendance that he objected strongly to the word 'censorship' being a newspaper man, he laughingly stated "in my business that is a dirty word." He further stated that his attempt to edit the letter in question was due to his strong feeling that no town equipment should be used on literature for or against a controversial issue and that a letter signed by members of the Housing Authority, stating that they were soliciting votes, could have given the impression, were it mailed and printed by town equipment, that town officials condoned the issue.

LETTERS TO EDITOR

Dear Sir:

Reference is made here-
with to your issue of last
week. In that paper, your
North Reading reporter made
reference to the "usual run
around" the Planning Board
gives those who come before
it.The implication that No.
Reading citizens will get
the "run around" from the
Planning Board is unwarrant-
ed and not justified. In
the case at point an opin-
ion on the application of
the new zoning by laws as
to parking facilities
was requested by Messers
Jones and Ryan. To act on a
sound basis the Board con-
ferred with Town Counsel
on this point. Town Counsel
indicated that he would
study the problem and have
an opinion on same at our
next regular meeting. The
applicants were advised that
we would have our inter-
pretation ready at our
next meeting.This in my humble opinion
is not a "run around". Any
matter involving the by
laws should be handled with
full consideration of all
the particulars—not on an
"off the cuff" basis.It is apparent that your
criticism was made without
knowledge of all the facts.
Without all the facts you
can only provide your read-
ers with a distorted view
point.To properly clear the air
on this it would be well
for you and your North
Reading reporter to come
and discuss this in public
before any interested North
Reading citizens.You develop your "run
around" theme and I will
try to explain how the
Planning Board is diligent-
ly working to protect the
interests of the Town of
North Reading and its in-
habitants.Sir you have a challenge!
Maurice R. Ahearn, Jr.
Member of The Planning Bd.Ed. note: We do not wish to
offend any Board in any
town, merely to print what
the people should know. The
Planning Board has a very
arduous and time consuming
job to be sure and it was
not the intent of the paper
to cast any aspersions upon
the board. I'm sure in the
future we will attempt to
be more specific in our
comments.

Letter from Willy's Uncle

Dear Nephew Willy,

A fella told me about what happened in your neighborhood
this past Halloween Nite. Wal we had sumthin verry
similur happen hereabouts last year.It seems that sum muthers decided that ther kids
was not gittin enuf candy and sweet gunk from their
neybors close around the ole homestead wile they heerd
tell about some kids from the other side o town who
was gittin big bags full and they wasn't gonna stan
for that, so they pilet them all in their Model T an
took em over on to the other side o town AFTA they had
gotten all they cud from ther close frens and neybons
and druv em aroun frum hous to hous til they figgerd
they had rung out the las gumdroppe fum thos harass
peepul. Along about midnite they druv ther kids home
feelin jus as proud as punch about how much swag they
had helpt ther kids praktically beg fur fum strangers.
They was so moved to git ther kids to as many howses
as possibel that they dint give they reel small fry
no time to even sho off costooms an masks an such
which is wat the hole thing is suppose to be fur. They
was reel effishent, fur grownups, and they pict owt
the bees lookin neyborhoods wear they figgerd they cud
get more with less effet frum the poor kids. It dint
matter none if the wether was bad eether cause they
was gonna get ther kids ther riteful loot even if it
kilt the kids doin it. Now hears the funny part, Will,
an I still chuckle about it ever time I happen to
think about it.WILE THEY WAS GON, THE PEEPLE FUM ANUTHA SECSEUN OF
TOWNE CAME OVER TO THEIR OWN NEYBORHOOD AN DID THE
BEREE SAME THIN. The menfolk who was home had to reel
scratch to cum up with enuf to fill all the new kids
bags caws they natrally wasnt expectin anybuddy but
they own neybers kids wich they had bot fur. An wen
them suthers came home in they Model T's an heerd
that theyr OWN home had been taken advantage of, they
was fit to be tide. Wen the menfolk figgerd owt wat it
cost them to giv owt an then saw wat theyr own deers
brot home, it figgerd out about even Steven, so they
cud of saved themselfs(an theyr poor tired, wet kids)a
lotta truble if they had only left the reel small fry
alon an restricked them to theyr own neyborhood like
the kids had originly wanted to do. Some thot it wud
be better if they had a neyborhood party for the small
fry an let them bob for appels an such like they did
wen they was kids. They all agreed that about the only
gud thing about the hole, owt o hand, mess was that it
kep sum kids fum doin sum malishus damage an such but
that next year they wud stay out of it an turn it bak
over to the kids an the spooks an witches an such like
it was intened fur in the first place.

Dear Willy's Uncle:

Your letters appear to be not only enlightening but
timely as well concerning events and situations of our
towns. We have received three (3) letters from people
who wish to know your name. So we ask that in your
next letter you sign it. We will continue to print
your letters but if a matter becomes very controver-
sial we feel we should have your signature.

K of C plans new class

ing of the Knights of Columbus
for a new class, in combination
with an informal question per-
iod conducted by K of C Chap-
lain Rev. Dennis P. Twomey.
Members are requested to have
questions prepared in advance

pected to be one of the most
interesting and unusual de-
grees, and a large attendance
is hoped for.Members are also urged to
attend the memorial Mass for
deceased Knights and their
families at 7 a.m. Saturday.his voting record, this is
doubtful. At best, Mr. Ward
is guilty himself of incon-
sistency here and is re-
sorting to political double
talk to deceive voters.Mr. Ward's code of ethics
is also a farce. He used
unethical methods in win-
ning the Democratic conven-
tion support. He was unethi-
cal when he rigged the
primary ballot to his ad-
vantage. And, in the cam-
paign to date, he has attack-
ed his opponent in such a
malicious, unethical and
gutter-like manner that his
proposal for a code of eth-
ics is political demagogu-
ery of the highest order.Mr. Ward poses the great-
est threat to the Common-
wealth that exists today.
And, if he is elected, the
political immorality in
state government today
would be saintly by compar-
ison. I strongly urge the
voters to seriously consid-
er Mr. Ward's unethical
conduct to date and the in-
consistencies in what he
espouses. If they do this,
I'm sure they would have no
choice but to repudiate him
at the polls on November 8.

RALPH SWEETLAND NAMED PERMANENT FIRE CHIEF

NORTH READING: The following motion, made by Selectman and seconded by Selectman MacRae, was voted unanimously by the Board of Selectmen Thursday night: "Having received the above letter from the Personnel Board, I move that Ralph J. Sweetland be appointed permanent Fire Chief, retroactive to October 1, 1960, at a salary of \$5,200.00.

Sweetland had been Acting Fire Chief since October 1, when he replaced former fire chief Harold J. Conron, who retired as of that date after many years of service.

The letter referred to in the motion that appointed Sweetland as permanent Fire Chief read as follows:

"In reply to the request of the Board of Selectmen as appointing authority for filling the position of the Chief of the Fire Department, the Personnel Board approves Ralph J. Sweetland as Permanent Full Time Fire Chief, effective October 1, 1960, at the minimum starting salary of \$5,200.00 per year, subject to his passing the required medical examination by a qualified physician, fee for which will be borne by the Town, and his taking the Oath of Affirmation as required for this position. The Personnel Board feels that in considering the length of service of Mr. Sweetland as a Call Fireman, he would meet any minimum requirements that we would establish for this position. It is also assumed that Mr. Sweetland meets the minimum qualifications for the position of Fire Chief as recommended by the appointing authority (Board of Selectmen.)"

MAIN STREET GAS STATION VETOED

North Reading: The Board of Selectmen held a hearing Thursday night at 8:30 on the petition of the D. & B. Centers Trust, 1851 Mass. Ave., Lexington, for the storage of gasoline on the easterly side of Main St., northerly of the Atlantic Food Mart. Between 20 and 30 people were in attendance, the majority of whom went on record as being in opposition to another service station on Main Street. Chairman Sands asked first for those in favor of the proposition to speak, and a Mr. De Bonis, 851 Mass. Ave., Lexington, representing the D. & B. Centers Trust, spoke. He stated that the Trust, developers of shopping centers, intended to develop the area adjacent to the Atlantic Food Mart. to include a W. T. Grant, a drug store, cleaners, children's stores, etc., as well as the service station for which they were seeking permission. He further alleged that the shopping centers which succeeded in the highly competitive field were those that offered the most complete line of services to customers, which was why they wished to erect a City Service Station on the property.

While no one else spoke in favor, those in opposition were most vociferous. Among the reasons given by the opposition were: There are already 12 stations in a 1 1/4 mile stretch of highway; the opening of Route #93 has reduced the business of the established stations; another station would add to traffic hazards in the area; and the land was swamp area. The question was raised as to why the D. & B. would start with a service station rather than one of the many other businesses which Mr. Bonis had said would be erected in the area. Mrs. Margaret Murphy, an abutter who conducts a motel, alleged that the noise of a service station would be detrimental to her business. The hearing adjourned with the matter taken under advisement.

Later in the evening the Board discussed the matter of the gasoline storage permit and a motion was made by Selectman Doten that, in view of the number of existing gasoline stations already on the State Highway, and because there is no demonstrated public need for an additional gas station, and in view of the fact also that the abutters objected to the storage of gasoline at the location, I move the permit be denied. The motion was seconded by Selectman Ryan and voted unanimously.

You're right in the middle of things in The Globe

How are the Patriots doing? What does the quarterback say in the huddle to the end who gets out behind the safety man and then drops the pass? Is Harvard really loaded this year? How does it feel to be hit — and knocked spinning — by one of the human tanks they call a running guard?

You know the answers when you read The Globe. Because Globe writers and Globe photographers take you right down on the field, so close you can almost feel the slap of the padding and hear the grunts when the linemen charge. Globe sportswriters like Cliff Keane and John Ahern and Fran Rosa are football fans and they write for fans. Whether you follow the schoolboys, the pros, or the colleges, you'll follow them best in The Globe. And, of course, you get a complete, separate pull-out Sports Section. It's all yours.

Try sports a la Globe. It's habit-forming.

According to police reports, youngsters in town are due congratulations for the safe-and-sane Halloween celebrated here. Only the usual pranks were played; involving hydrants, lawn ornaments and mail boxes. There was no serious damage resulting.

Members and friends of the Women's Club are cordially invited to attend the dinner-dance which will be held at the Andover Country Club on Saturday evening, beginning at 7.

Don't forget St. Dorothy's Blitz party on Tuesday evening, the public is cordially invited. Following

Mr. Robert Cowie of Ballardvale Street met with the Board of Selectmen on Tuesday evening to question them regarding their feelings on his position in relation to the proposed intermediate school which will practically surround Mr. Cowie's property.

The board stated that they are completely in favor of a 'land swap' in which Mr. Cowie will be given a legal lot of land now belonging to the town, a little to the north of the school, in exchange for the site he now owns.

Arrest Man For Obscene Phone Calls In Reading

READING—Richard Lyman, 21, 20 Dexter Avenue, Woburn, was arrested Friday noon by Police Lt. John F. Beaudoin and admitted placing obscene phone calls and sending an obscene letter, police said.

Lyman was released under \$500 bail Friday night and will appear in Woburn District court this morning on charges of misconduct stemming from a Wednesday night incident involving two teenage girls. Further charges would be lodged against him by Reading as well as Woburn police, officials said Friday.

Numerous women had reported the calls to police for the last week. One, who had been the recipient of several calls and the letter, was reported to have been under the care of a physician since the wave of obscenities started.

The cooperation of the telephone company received high praise from Lt. Beaudoin. Both Reading and Woburn departments collaborated in the investigation.

Wilmington Firefighters Ball Nov. 4

WILMINGTON—The newly-organized firefighters local No. 1370, has completed arrangements for its first annual ball to be held at the Hillview Country Club in North Reading Friday, Nov. 4. The services of the popular band of Jack Hennessy have been obtained for this event, and the firefighters promise a full evening of dancing and enjoyment to all who attend. The modest admission fee will include refreshments to be served at the close of the evening.

Lt. George Cushing, Lt. Harold Cahill, Pvt. William Nee and Pvt. Frederick Kleynen have been appointed to the committee in charge of this dance. The firefighters extend a cordial invitation to all their friends to join them on this, their first ball.

To Sponsor Book Fair

WILMINGTON — The Wilmington Women's club will sponsor a book fair at the public library Friday and Saturday, Nov. 4 and 5, from 10 to 12 noon.

This year in addition to a display of new and old books for adults and children, there will be an exhibition of paintings by Doris Tobey. This is an opportunity to see what the library has to offer, and an order for any book may be left with time for delivery before Christmas.

the games, a penny sale will be conducted and refreshments will be served.

Laura and Suzanne Bates of Drury Lane recently entertained Margaret McNamara and Janet Szumowski at the General Glover House in Swampscott. The occasion? Laura and Suzanne were celebrating birthdays. (who did what?)

Mr. and Mrs. Samuel Clogston of Adams Street and their two children left on Saturday to take up residence near Buffalo, New York. Mr. Clogston was transferred by business. Their many friends in Wilmington will be saddened by their leaving.

May as well add a line to all that has already been said---remember, if you don't vote the way you think is right, you increase the power of your opposition. According to an article read recently, only sixty percent of our country's eligible voters cast their ballot in 1956. Really shameful isn't it?

Tuesday is the big day, if you cast a ballot, it gives you the right to complain. If you try to do nothing about government, you have no logical 'gripe'.

The next meeting of the Town Democratic Committee will be held at headquarters, 190 Main Street on Wednesday evening, November 9 at 8 p.m.

North Reading CANDLE PIN CHATTER by Tania Wullemann

The YMCA PeeWee League certainly doesn't follow its name in some of the scoring done by these youngsters. Craig Lindgren came up with a hi single of 104! These bowlers are only nine to thirteen years of age and are doing some grown up bowling. The top place team in this league is the Lions. The advisor of this league is Kay Doherty, and the co-managers are Stet and Edie Hunt.

If there are more cigar butts than usual in the ashtrays after the North Reading Men's League is over for the evening, I Ben Snupen says they are Jack Hoy's. His team, Temple Oil, is one of the teams in a three-way tie for first place.

Glad to hear that Vergie Riordan of the Newcomers League is steadily bringing up her average week by week. Could one of the reasons be that she had to buy her team captain a cup of coffee every time she bowled a 5 box or less?

The Sunday Nites Couples League have without doubt more team spirit and enthusiasm than I have seen in a long time. Paul Sweeney was jumping to such great heights while cheering teammate Barbara Carbone, that yours truly went over to see if he had brought a portable trampoline with him! David Lumb did his share of rooting too. Believe me, if at any time loud speakers or amplifiers should fail in this town, call on Dave. I think it's wonderful to enjoy the sport as much as everyone does in this league.

Fidel Castro (Priscilla Mayo), Beatnick Duo (Peg Brown and Ann Colburne) provided the Antlers League with many a laugh Monday night. Also keeping in theme with Halloween was Faye McCall with a Buccaneer costume. Congrats are in order to Doris Beaumont on the birth of a baby boy. There were five gloomy faces going home Monday night after finding that instead of taking 4 points, they only took 2 points due to a handicap oversight. This knocked them down to third place by one point. Oh well, next Monday night we will make them up, we hope.

In the YMCA Teeners League the Boo-Boo's are still on top. Dwight Eastman rolled boys hi-single of 97 much to grandparents Mr. and Mrs. Charles Flanders delight, who were there cheering his team on. Marie Apperti and Flo Silva tied with a 94 for the girls. Marie moved her average up 10 points. A big pat on the back goes to Phyllis Goodman for her continued perseverance which has brought her average up 7 points.

Elinore Carter of the Early Birds is trying bowling with her glasses, without her glasses, standing to one side and then the other, all to no avail! Elinore, don't you know you can't fight those bowling gremlins once they have decided to land in your corner? They will leave when they have decided upon a new victim.

I think they were casting their glances toward Roger Wullemann.

Oddie Madden of the Jets is killing two birds with one stone. She happily bowls away her household cares as the laundromat next to the alleys does her wash. 'Housework was never like this,' say grandma. Sorry to see Gloria Mahan leave the league but she is going to prove again that the hand that heaves the bowling ball, can also gently rock the cradle.

At the rate Patte and Jim Brooks of the No. Reading Couples league are bowling neck and neck, it looks like we might have to have a photo finish at the end of the season.

Lost: One Curve, vicinity Stoneham Alleys, Thursday night. Finder please return to Jim Mitchell, Couples League. He cannot bowl without it. Betty and Joe Merrill, neophytes to candlepins, are doing extremely well. Joe has 114 to his credit so far and seems to be enjoying candlepins more than the others.

Our M.B.A. Pro Girls have taken top place in the M.B.A. Womens Standing. They picked up 16 points over the weekend to put themselves in first place. Ginny Stevens is leading the league with a 154 for a single. How is that for a girl bowler in league competition? One word: TERRIFIC!

Miss Judy Taylor receiving first prize from Mrs. Malcolm MacRae at the Democratic dance last Thursday. Miss Taylor was dressed as the Spirit of '76'

CAR CRASH IN NORTH READING

At 1:45 a.m. Saturday morning a car operated by Philip Washburn, 20 Ballardvale Rd. No. Wilmington, pulled out of the parking area of the Dragon Inn Restaurant and he did not see it. After at the time. The Washburn car was struck in the left rear fender by a vehicle operated by James Redican Jr., of 22 Haviland St., Worcester. driverless, striking the

Problem Facing Wilmington Voters

An ever increasing problem facing the voters of Wilmington, as election day approaches, will be the attempt on the part of representatives of the political parties and their respective candidates to sell the merits of their candidacies with a last minute deluge of literature and sales pitch, as the voters approach the final last few steps to the polls.

While State laws have been written attempting to correct this situation, it is quite clear that laws alone will not resolve it. To the average intelligent and informed voter, the necessity of fighting one's way through an army of well meaning but overzealous advocates of candidates, can prove to be a very annoying and frustrating condition. At a recent meeting of the Republican Town Committee, it was resolved that the Committee would take the official position that the Wilmington Town Committee, as an association would not participate in any manner or form in any last minute campaigning at the polls on election day.

It is further their desire that sane and intelligent evaluation of the candidates for office will replace any last minute reaction as a result of some last minute plea.

**"I DID NOT THINK--
I INVESTIGATED"**

SIXTY-FIVE YEARS AGO

on November 8, a German professor looked at something no one had seen before—the bones of a living hand. The man was Wilhelm Roentgen who unexpectedly discovered a new and mysterious kind of ray that could pass through solid substances. And by so doing, he gave birth to the modern science of x-ray—or radiology.

"FEW EVENTS

in the history of science have had so powerful an impact as the discovery of x-ray... says the Encyclopedia Britannica. By allowing radiologists, or specialists in the use of x-ray, to peer into the internal structures of the body, x-ray has become an indispensable tool of 20th Century medicine.

NOBEL PRIZE

EVEN ROENTGEN was not fully aware at once of the importance of his discovery. When asked what he thought when he first saw evidence of this new ray, he replied: "I did not think—I investigated." In 1901, Roentgen received the Nobel Prize for physics. In 1923 he died, making a gift of his x-ray to humanity, seeking no reward and receiving no monetary gain from his great discovery.

MOOSE YOUTH HONOR DANCE SUCCESS

NORTH READING: At the Annual Moose Youth Honor Dance, sponsored each year by the Loyal Order of Moose Lodge #1511, two local boys, Chester and Phillip Spinney sons of Mr. and Mrs. Chester L. Spinney, of 31 Mt. Vernon St., were awarded heroism plaques. The two youths bravely rescued a Lawrence boy from drowning in the pond at Harold Parker State Forest last August.

the North Reading Hornets, Bill Cotter was presented with a football plaque inscribed "Wild Bill Cotter." The awards were presented by Selectman Paul Ryan, who is also a member of the local Moose Lodge.

The largest crowd of any year turned out for the evening of dancing and fun. Winners of records awarded for a spot dance were Beverly Mosack, Peter Flynn, Allen Jones, Ann Day, Judy Taylor and Ronald Murray.

The two Spinney boys, winners of the heroism award, are both members of Boy Scout Troop #741, and were accompanied to the affair by their Scout Master, Robert Hamilton, as well as their parents.

The Committee in charge of the Dance was headed up by George McMahon, Moose Civic Affairs Chairman, and dance comm. chmn Jack Hardy, working with committee members Sam Bellino, Paul Ryan, Larry Dennis, Leo Roy, James Goodwin and Alex William-

son. Representing the Ladies Auxiliary were Mrs. Arlene Hardy and Mrs. Edith Roy. Officer Gordon Berridge donated his services for the dance.

Each Halloween the Moose Lodge passes out pledges to be signed by local teen-agers promising that they will commit no vandalism on Halloween, and were very gratified at the Police Dept.'s report of no vandalism this year.

Fly-up Certificates were presented to Blue Birds by their leaders as follows: Mrs. Phillip Zeimetz and Mrs. Ralph Hudson to Darlene Anderson, Deborah Carrier, Christine Frost, Elizabeth Harrington, Deborah Hudson, Nancy Leach, Cynthia McCarthy, Kathleen Reilly, Linda Turner, and Victoria Zeimetz; Mrs. William Lafferty, Jr. and Mrs. Michael Modica to Theresa Francis, Robin Higgins, Lorraine Lafferty, Beth Modica, Eileen Modica, Mary Smolenski, Katherine Snow, Kathleen Walker and Virginia Walsh; Mrs. Theodore Bunnell to June Allen, Betty Bunnell, Deborah Bruce, Linda Doyle, Rhoda McKendry, Pamela Plouff, Pamela Weatherhead and Diane Weir; Mrs. Edward Bernat to Sandra Baglio, Patricia Campbell, Patricia Chisholm, Patricia Church-

NORTH READING SELECTMEN

NORTH READING: The Board of Selectmen held its regular weekly meeting at Town Hall Thursday, Oct. 27, with all members present. Names drawn for jury were Joseph Sadlow, 385 Park St., for Jury Duty at Civil Session, Lowell, and Herbert Eismann, Oakdale Rd., for Jury Pool at Cambridge.

The Board met with Henry Graham in connection with the partitions which are to be erected in Flint Memorial Hall for office space. Mr. Graham, a carpenter, submitted a bid on the project.

Later in the meeting the subject of bids for the partitions was brought up and after some discussion Selectman Doren made a motion that all bids received up to October 20, 1960 for partitions for the Selectmen's office in Town Hall be rejected for the best interests of the Town. The motion was seconded by Selectman MacRae and voted unanimously. Selectman Doren then made a motion that the bid of Henry Graham for installing eight foot partitions for

the Selectmen's office on the second floor of the Town Hall. The Board met with Leo Moriarty, representing Hudson Bus Lines of Medford, who requested a license to operate motor vehicles for the carriage of passengers for hire over Route #28 between the North Reading-Reading line and the North Reading-Andover line. Such a license is necessary if a public conveyance is to load and unload passengers within the con-

lines of the Town. Selectman Statuti made a motion that the license be granted to Hudson Bus Lines, subject to the approval of other necessary authorities. The motion was seconded by Selectman Doren and voted unanimously.

Mr. Moriarty stated that one bus trip daily is now in operation, and they hope to expand. The bus now runs through town but does not have the necessary license to pick up and drop off passengers. Charles Wedge, representing the Associated Seven, appeared before the Board to request that the Selectmen remove from the table the application for storage of gaso-

line requested by them in February. Selectman Ryan made a motion that, in view of the fact that Selectmen Sands and Doren were not on the Board at the time the application was submitted, it be removed from the table at this time. The motion was seconded by Selectman MacRae and Selectman Ryan and MacRae voted in favor. However, Selectman Statuti was opposed to the motion and Selectmen Doren and Sands refrained from voting as they were not on the Board at the time the application was received. As the motion did not receive the necessary two-thirds vote of the Board, the application

remains on the table. Mr. Wedge requested a letter on the subject be sent to the Associated Seven by the Board, and the Selectmen instructed Secretary Mrs. Madeline Byrne to send a copy of the vote to Mr. Wedge. The application referred to in the above motion is for the Richfield Station, adjacent to the parking area of the Stardust Club Lounge.

Norman Benson, 231 Main Street, appeared before the Board regarding his request for a license to sell used and new cars on a parcel of land at Perry's. The application had previously been tabled. Selectman MacRae made a motion that

the request be removed from the table. The motion received no second, therefore there was no vote on it. Selectman Doren remarked that as the Town had just gotten rid of two used car lots he could see no reason for the establishment of another one.

Joseph Pecorella of Winthrop Road, was in conference with the Board. Mr. Pecorella alleged that a local doctor would not answer his door when he (Pecorella) was ill recently. He further stated that he then went to the Police Station where he became unconscious and was then taken by the Police Ambulance to Lawrence General Hos-

pital. Pecorella suggested putting on a drive for establishing a hospital in Town and Selectman Statuti replied that if Pecorella were to form such a committee he would be glad to serve on it. Selectman Ryan then pointed out that there was a vacancy on the Committee studying the advisability of the Town taking over the North Reading State Sanatorium. The Board agreed to appoint Mr. Pecorella to said Committee.

The Board also discussed the hearing held on the application on D & B Centers Trust for gasoline storage, and unanimously voted to deny the permit.

The School Housing Committee and the School Committee announce that there will be an open house at the new elementary school, the J. Turner Hood Jr. School, on Sunday November 6, from 2 to 5 p.m. The people of the town are cordially invited to view the latest addition to our school system.

The Blessed Virgin Sodality of St. Theresa's Parish will hold a spiritual meeting from 8 to 9 p.m. Thursday, Nov. 3, at the Church.

Boy Scouts of Troop #741 are most appreciative for the cooperation of the townspeople during their rag drive Saturday. The cooperation of the parents was also very gratifying, as some of them worked all day with the Scouts. Approximately \$150.00 was realized for troop equipment and troop activities.

Family suppers seem to be very popular, with three different PTA associations having them scheduled for November. The Hood School PTA family supper will take place on the evening of November 10; the North Street School PTA will hold theirs on November 16; and the Little School's family supper is set for November 19.

The Selectmen are making plans to personally investigate the site recommended for a new dump by the Refuse Disposal Committee. No doubt we'll see some action on this project soon, as the problem is rapidly becoming more pressing. The proposed site is located on the southerly side of Concord Street.

The car stolen from the High School parking lot during the Moose Youth dance Monday night was recovered about 10:30 the same evening. An Elm Street resident called the Police to report that there had been an accident near her home and two boys were seen to jump from the car and run toward the Center. Although the Police have questioned several youths, there is no definite suspect yet.

The town was well patrolled Monday evening as Civil Defense men and Auxiliary Police cruised the town, sending and receiving messages from C.D. Headquarters where our senior Girl Scouts manned the radio equipment. Civil defense director Joseph Washburn has been training the senior scouts in radio work for several weeks.

It was most heartening to see so many of the little ghosts and goblins with UNICEF collection containers in their hands Halloween night.

Selectman Statuti has stated that he feels that the Board of Selectmen should draw up specs for an auxiliary fire station on Main Street, and that bids should be invited for renting or leasing space to the Town for the storage of the fire engine on Main Street.

The Board of Selectmen have been contemplating the creating of a position of Deputy Fire Chief, but the Personnel Board has advised them to wait and bring it up at the annual town meeting.

In appreciation of the tremendous work done on behalf of the Kennedy for President Youth Club, Mary Jane Flynn and Gary Slade received complimentary tickets to the \$100 a plate Democratic dinner held Tuesday evening at the Statler Hilton Hotel.

No doubt one of the most thrilling events in the lives of these two hard-working young Democrats.

The Kennedy for President Youth Club, a fast-growing organization, held a most successful dance Thursday evening at the Grange hall. Two hundred or more of the Town's young people were in attendance.

Nation Education Week, November 7-11, would be an excellent time for the once-talked-about PTA Council to become a reality. Not only could such a Council coordinate PTA efforts in town, but could serve the interests of education by having a representative present at all School Committee and School Housing Committee meetings in an effort to keep their membership fully aware of the local education picture at all times.

Mr. and Mrs. August Peretti of Plushing, N.H. (former Nancy Henry of North Reading) are the proud parents of a baby girl, Lisa Ann, born October 29 at the Saugus General Hospital. The new arrival weighed 5 pounds, 12 ounces.

Sharing honors are maternal grandparents, Mr. and Mrs. Bayard Huntley of Park Street; Mrs. Annie Huntley of Marlow, N.H.; great grandmother; and paternal grandparents Mr. and Mrs. Augustino Peretti of Dorchester.

Te, regular police officers, three permanent intermittent men and three permanent part time men took the Civil Service examination Saturday morning at 9:30 a.m. at the high school. The three sergeants were given a more difficult examination than the patrolmen. All questions were based on information contained in the police manual.

The annual Little League supper and evening of awards will take place Saturday, Nov. 5, in the high school cafeteria. All boys who are leaving Little League because of the age limit will receive Little League Sweaters, and the winning team will be honored. An exciting evening has been planned for Little League members and their parents.

The slogan 'Come Do Your Christmas Shopping at the St. Theresa's Annual Christmas Bazaar' has been adopted by the committee in charge of the event this year. The bazaar will be held on Saturday, Nov. 19, at the Batchelder School cafeteria, from 8 a.m. to 6 p.m. The small fry will be delighted to hear that Old St. Nick will be present, as well as a rib-tickling, side-splitting funny clown. The committee promises a breathtaking array of Christmas gifts this year, along with the mouth watering refreshments.

The North Reading Hornets continued their fantastic winning streak by trouncing Lynn Trade Saturday by a 28-0 score. The boys in green and gold are not only undefeated but unscored upon. Football player of the hour, Co-Captain Bill Cotter now has 16 T.D.'s and 100 points to his credit.

The well known dramatic group, the Quannapowitt Players added another brilliant success to their illustrious record with their recent production of 'The Girls in 509'. The fast moving, topical comedy by Howard Eichmann was extremely well received by audiences Friday and Saturday night at the Reading High School Auditorium. A number of North Readingites belong to this group of thespians, as well as to their junior chapter, the Junior Quannapowitts.

The Board of Appeals will hold a public hearing, Thursday, Nov. 17, at Flint Memorial Hall on the petition of Miss Mollie Ryer and the Mobil Oil Co., for approval of a proposed service station at the southeasterly junction of Park and Haverhill Streets. While no voice of opposition was raised at the previous hearing before the Board of Selectmen, scuttlebut has it that this will not hold true at the Board of Appeals hearing.

Many members of the eighth grade class at the High School enjoyed a scenic tour of Boston and Cambridge Monday morning. The youngsters visited Paul Revere's home and the Old North Church and viewed many points of historic interest from the glass topped touring buses. Also included in the tour were a visit to the Maparium and 'Old Ironsides.' The three busloads of students were accompanied by Mr. Levene, Mrs. Peloski, Mr. Maniew and Mr. Swartz of the high school teaching staff.

There will be a gala party for the cast of St. Theresa's Mirel Show, Dec. 2, at the High School cafeteria.

The Scattergood Kennels, Main Street was honored Monday evening on the 'Dateline Boston' television program on Channel 5. These outstanding breeders have been chosen as one of the best 12 breeders of cocker spaniels in the country. In addition to this honor, their cocker spaniel 'Champion Scattergood's Peeping Tom' was named top black and white cocker spaniel in the United States.

Congratulations to Richard Donegan and John Sarcone, of the Scattergood Kennels not only for the honors re-

ceived, but for operating an extremely reputable kennel.

Voters in the area had a chance to meet and greet Edward McLaughlin, Democratic candidate for Lt. Governor, last Saturday as his motorcade wound its way through North Reading, Wilmington, Tewksbury, Reading and Stoneham. The entourage stopped at Democratic Headquarters in each town en route and Town Committee members welcomed Mr. McLaughlin. The candidate was escorted by Daniel Duggan, Town Democratic Comm. Chmn., and Thoms O'Leary.

Following the motorcade an informal reception and supper was held at the home of Mr. and Mrs. O'Leary.

Congratulations to Mr. and Mrs. Richard Uncles, Lindor Road, on the birth of a seven pound, 14 ounce baby girl, born Oct. 26 at Malden Hospital.

This is the couple's fourth child, first daughter. Sharing honors are maternal grandparents Mr. and Mrs. John Ford of Medford.

For the benefit of those who may be voting for the first time in North Reading, the polls are located in Legion Hall (the building on the Common) and will be open from 7 a.m. to 8 p.m.

The LTV has asked us to remind voters that to cast a vote for a 'write in' candidate the full name and proper home address must be written on the ballot.
